Beginning in Nanning and crossing into Vietnam at Dongxing, this route strings together the World Heritage karst seas of Ha Long Bay and Cat Ba Island, the thousand-year capital of Hanoi, a night aboard a century-old metre-gauge sleeper train, the cloud-wrapped town of Sa Pa beneath Fansipan — the roof of Indochina — then returns through Youyi Pass to the cross-border thunder of Detian Falls, the pastoral karst of Mingshi and the Zhuang country of Longzhou. Natural wonders, colonial legacies and border cultures in a single loop, with drive times and distances noted each day.

🎵 抵达与休整 · 中山路美食街 Arrival & Zhongshan Road Food Street

南宁，广西首府，中国面向东盟的门户之城。抵达后入住酒店，适应气候。若时间充裕，可前往中山路美食街感受邕城夜市的热烈——老友粉、酸嘢、烤生蚝等邕城风味汇聚于此，或在三街两巷的青砖骑楼间漫步。南宁不是终点，而是通往边境与远方的起点。

Nanning, capital of Guangxi, is China's gateway to ASEAN. After checking in, take the evening to settle into the climate. If time allows, follow the crowd to Zhongshan Road Food Street, where Nanning's night market glows with lao you fen noodles, pickled fruit and grilled oysters — or wander the brick shophouse lanes of Sanjie Liangxiang. Nanning is not the destination; it is where the road to the border and beyond begins.

🎵 跨越国境 · 东兴 — 芒街 Crossing from Dongxing to Mong Cai

自南宁出发，经东兴口岸过境至越南广宁省芒街市。芒街是中越边境最繁忙的口岸之一，一桥之隔，市井风貌已悄然转换——法式殖民建筑与越南传统骑楼交织，越南文招牌取代了汉字，街角的咖啡摊开始飘出炼乳的甜香。从这里开始，我们将渐渐进入另一个时空。

过关后乘车沿海岸南下，前往下龙市。下龙市是通往世界自然遗产下龙湾的入口。晚间入住酒店，面朝下龙湾，感受海风中的咸味。

From Nanning we drive to Dongxing and cross into Mong Cai, Quang Ninh Province — among the busiest gates on the Sino–Vietnamese border. One bridge away, the street scene quietly shifts: French colonial façades interweave with Vietnamese shophouses, Vietnamese lettering replaces Chinese signs, and corner coffee stalls begin to smell of sweetened condensed milk. From here we slip, step by step, into another world.

After crossing, we head south along the coast to Ha Long City, the gateway to the World Heritage bay. Tonight's hotel faces the water, and the air carries the salt of the sea.

🎵 轮渡渡海 · 世界遗产海域 Ferry Across a World Heritage Seascape

乘轮渡从下龙前往吉婆岛（Cát Bà）。吉婆岛是下龙湾最大的岛屿，也是「下龙湾—吉婆群岛」世界自然遗产的核心组成部分。这片海域拥有 1133 座石灰岩岛屿，覆盖着浓密的丛林植被，喀斯特山峰如巨兽脊背般从碧绿海面隆起，构成一幅山水相融的画卷。

这片景观的形成经历了 5 亿多年的地质构造运动——古生代的海洋沉积、新生代的喀斯特溶蚀、海平面上升后的淹没，最终成就了今天举世罕见的热带被淹喀斯特地貌。2023 年，联合国教科文组织正式将下龙湾—吉婆群岛列入世界自然遗产名录；2024 年，它又被国际地质科学联合会认定为世界地质遗产地。

A ferry carries us from Ha Long to Cát Bà, the largest island of the bay and the heart of the Ha Long Bay—Cát Bà Archipelago World Heritage property. Across these waters rise more than 1,133 limestone islands clothed in dense forest, their ridges surfacing from the jade sea like the backs of great beasts — a landscape of mountain and water fused into one.

It took over 500 million years of geology to make it: Palaeozoic marine deposits, Cenozoic karst dissolution, then submergence as the seas rose — a drowned tropical karst found almost nowhere else on earth. UNESCO inscribed the archipelago in 2023, and in 2024 the International Union of Geological Sciences recognised it as a world geoheritage site.

🎵 吉婆岛自由时光 Free Time on Cat Ba

登岛后自由活动。吉婆岛比下龙市更安静——租一辆摩托车环岛，出海划皮划艇，或在沙滩上静候日落。岛上保留着原始热带雨林生态系统与红树林湿地，珍稀物种众多，是自然爱好者的天堂。

The island is yours for the afternoon. Quieter than Ha Long City, Cat Ba rewards a rented motorbike loop, a kayak paddle offshore, or simply waiting out the sunset on the sand. Primary rainforest and mangrove wetland still cover much of the island, home to many rare species — a haven for nature lovers.

🎵 缆车渡海 · 海防滴漏咖啡 Cable Car to Hai Phong & Drip Coffee

上午乘坐跨海缆车前往海防市。海防是越南第三大城市、北部最大的港口。途中可体验一杯越南咖啡——罗布斯塔豆配炼乳的经典搭配，是法国殖民时期留下的生活方式，也成了越南人日常的仪式感。

抵达河内后，游览这座拥有千年历史的古都。

In the morning a sea-spanning cable car carries us to Hai Phong, Vietnam's third-largest city and the principal port of the north. En route, stop for a Vietnamese coffee — robusta beans with sweetened condensed milk, a ritual left by the French colonial era and now part of daily Vietnamese life.

Then on to Hanoi, the thousand-year-old capital.

🎵 圣若瑟大教堂 St. Joseph's Cathedral

圣若瑟大教堂建于 1886 年，是河内最古老的天主教堂之一，哥特复兴式风格，斑驳的灰砖墙面记录着殖民时代的印记。教堂所在的街区欧式风情浓郁，咖啡馆与法式老建筑林立，适合放慢脚步。

Built in 1886, St. Joseph's Cathedral is one of Hanoi's oldest Catholic churches, its Gothic Revival form and weathered grey-brick façade keeping the imprint of the colonial age. The surrounding quarter brims with French-era buildings and cafés — a fine place to slow down.

🎵 火车街 Train Street

火车街是一条铁轨两侧紧贴着民居的狭窄街道，火车每天定时轰然驶过，距离近到几乎触手可及。咖啡店主们会在火车通过前收起遮阳棚、撤回桌椅，待列车远去又迅速恢复营业。这是城市空间与日常生活的奇观式共存。

Train Street is a narrow lane of houses pressed hard against the rails, where scheduled trains thunder past close enough to touch. Café owners fold awnings and pull back tables before each pass, and reopen the moment it is gone — a marvel of urban space and everyday life coexisting.

🎵 三十六古街 · 三轮车漫游 The Old Quarter by Cyclo

三十六古街是河内历史最悠久的老城区，以还剑湖为中心辐射开去。十五世纪起，每一条街都以交易的特定商品命名——丝街、银街、纸街、鞋街、米街……至今仍保留着「一街一品」的格局。乘人力三轮车穿行于迷宫般的巷弄之间，是感受河内市井烟火最地道的方式。

The Old Quarter is Hanoi's most historic quarter, spreading out from Hoan Kiem Lake. Since the fifteenth century each lane has been named for the goods traded there — Silk Street, Silver Street, Paper Street, Shoe Street, Rice Street — and the one-street-one-trade pattern survives to this day. Riding a cyclo through the maze of alleys is the most authentic way to feel the city's pulse.

🎵 夜游西湖 West Lake by Night

晚间乘坐双层观光巴士夜游西湖（Hồ Tây）。西湖是河内最大的湖泊，湖岸灯火与古寺倒影相映，千年升龙城的今与昔在此交汇。

After dark, an open-top double-decker bus circles West Lake (Hồ Tây), Hanoi's largest lake, where shoreline lights double in the water beside ancient pagodas — the old capital's past and present meeting at the water's edge.

D5 河内 — 老街（夜宿米轨火车）

🎵 巴亭广场 · 胡志明陵 Ba Dinh Square & Ho Chi Minh Mausoleum

上午参观巴亭广场与胡志明陵。巴亭广场是越南的政治中心，地位相当于中国的天安门广场。胡志明陵安放着越南国父的遗体，庄严肃穆。参观需注意着装，陵墓通常在周一、周五及夏季闭馆维护。

The morning is given to Ba Dinh Square, Vietnam's political heart — the counterpart of Tiananmen Square in China — and the Ho Chi Minh Mausoleum, where the nation's founding father rests in solemn dignity. Dress respectfully; the mausoleum is usually closed on Mondays and Fridays and for maintenance in summer.

🎵 莲花自助餐 The Sen Lotus Buffet

中午享用莲花自助餐，品尝越南南北风味——春卷、河粉、海鲜、时令热带水果，一餐之间阅尽越南饮食的精髓。

Lunch is the celebrated Sen lotus buffet, a parade of Vietnam's regional cooking — spring rolls, pho, seafood and tropical fruit in season. One meal, and the essence of Vietnamese cuisine is on the table.

🎵 河内菜市场（自由活动）A Hanoi Food Market, at Leisure

下午自由活动，可选择逛河内菜市场——菜市场是了解一地生活最直接的窗口。新鲜的热带水果、形形色色的香料、活蹦乱跳的鱼虾，叫卖声此起彼伏，构成最真实的河内日常。

The afternoon is free — drop by a Hanoi food market, the most direct window into a city's daily life. Piles of tropical fruit, spices of every kind, live fish and shrimp, vendors calling their prices: Hanoi at its most real.

🎵 夜行百年米轨火车 Overnight on the Century-Old Rail

晚间，从河内火车站登上百年米轨卧铺火车，沿河老铁路（河内—老街段）前往老街省。米轨铁路是法国殖民时期留下的工业遗产——法属印度支那时代，法国人于 1903 年动工修建、1906 年建成通车，轨距 1000 毫米（标准轨距为 1435 毫米），故称「米轨」。

这条铁路全长 296 公里，沿红河峡谷蜿蜒北上，是滇越铁路的越南段，从河内经老街直通中国昆明。当年，法国人正是通过这条铁路将越南西北山区的矿产——尤其是老街的磷灰石——运往海防港，再装船运回法国。

今夜，我们将在这条已有 120 年历史的铁轨上，枕着车轮与铁轨的哐当声，穿越红河三角洲的夜色，向云端的山城驶去。这是一种近乎消逝的旅行方式——慢、旧、充满时代感，却也因此独一无二。

In the evening we board the century-old metre-gauge sleeper at Hanoi station for the run to Lao Cai. The line is a working relic of the French colonial era: begun in 1903 and opened in 1906 on a gauge of 1,000 millimetres — against the standard 1,435 — hence “metre-gauge.”

It climbs 296 kilometres up the Red River gorge and forms the Vietnamese leg of the old Yunnan railway, which once ran from Hanoi to Kunming via Lao Cai. The French built it to carry the minerals of the northwest — above all Lao Cai's apatite — down to Hai Phong and thence by ship to France.

Tonight we sleep on rails 120 years old, lulled by the clatter of wheel and track through the darkness of the delta, bound for the mountain town in the clouds. It is a way of travel that has almost vanished — slow, old, saturated with time, and for that very reason unique.

🎵 清晨抵达老街 Arrival at Lao Cai

清晨抵达老街站。老街是越南西北部的门户城市，隔南溪河与中国河口相望。

We arrive at Lao Cai station in the early morning. Lao Cai is the gateway to Vietnam's northwest, facing China's Hekou across the Nam Thi River.

🎵 云上之城 · 沙坝 Sa Pa, the Town in the Clouds

转乘巴士沿盘山公路而上，约一小时车程后抵达沙坝（Sa Pa）。沙坝海拔 1650 米，坐落于越南最高峰番西邦峰（海拔 3143 米）山脚下，常年云雾缭绕，被西方游客称为「人间天堂」。

这里世代居住着京族、苗族（赫蒙族）、瑶族、壮族、傣族等多个少数民族。法国殖民者在 20 世纪初将这里辟为避暑胜地，至今小镇仍保留着欧式建筑与生活情调——石砌教堂、咖啡馆、面包店，与山间少数民族的木制吊脚楼形成微妙的对照。

下午自由活动修整，在梯田景观中享用下午茶。离开集市稍远一点，就能看到梯田沿着山脊层层叠叠铺向谷底，少数民族妇女背着竹篓穿行于田埂，云雾从山谷升起——沙坝最迷人的，正是这种工业化尚未抵达的缓慢与质朴。

A bus climbs the switchback road for about an hour to Sa Pa. At 1,650 metres, set beneath Mount Fansipan (3,143 m), Vietnam's highest peak, the town lies so often in cloud that western travellers once called it "the earthly paradise."

Kinh, Hmong, Dao, Giay and Tay peoples have made these slopes home for generations. French colonists turned Sa Pa into a hill station in the early twentieth century, and the town still keeps its European air — stone church, cafés, bakeries — set against the wooden stilt houses of the mountain minorities.

The afternoon is free: rest, then take tea above the terraces. A little way from the market, rice terraces fold down the ridges in endless layers, minority women walk the dykes with baskets on their backs, and cloud rises from the valleys. What fascinates most about Sa Pa is precisely this slowness and simplicity that industry has not yet reached.

🎵 番西邦峰 · 印度支那之巅 Mount Fansipan, Roof of Indochina

上午前往番西邦峰（Fansipan）。番西邦海拔 3143 米，是越南乃至整个印度支那半岛的最高峰，有「印度支那屋脊」之称。

乘坐番西邦缆车上山。这条缆车拥有两项世界纪录：海拔落差最大的不间断缆车，以及全球最长的三索缆车——全长约 6325 米，单程约 20 分钟。缆车穿越云海，脚下是层叠的梯田与黄连山山脉的原始森林，天气晴朗时可远眺中国云南的群山。

抵达山顶后，还需攀登一段台阶抵达海拔 3143 米的制高点。峰顶设有观景台，可 360 度俯瞰越南北部群山与红河河谷。番西邦不仅是自然制高点，也是精神地标——山顶的寺庙与巨大的佛像，昭示着越南人对这片土地的敬畏。

The morning is given to Mount Fansipan, at 3,143 metres the highest summit in Vietnam and in all of Indochina — the “roof of Indochina.”

The cable car that carries us up holds two world records: the longest uninterrupted vertical ascent and the world’s longest three-rope cableway — about 6,325 metres, some twenty minutes each way. It climbs through a sea of cloud above terraced slopes and the old-growth forest of the Hoang Lien range; on a clear day the mountains of Yunnan stretch to the horizon.

From the upper station a staircase climbs to the summit itself, where a viewing platform turns 360 degrees over the mountains of northern Vietnam and the Red River valley. Fansipan is more than a natural high point — temples and a great Buddha on the peak speak of the reverence the Vietnamese hold for this land.

🎵 猫猫村 Cat Cat Village

下午游览猫猫村（Cat Cat Village）。猫猫村是沙坝最古老的少数民族聚落之一，黑苗族（赫蒙族）早在 19 世纪中叶便在此定居。村内保留着传统的木制吊脚楼，依玫瑰谷山坡而建，层层叠叠，古朴而错落。村中有一处瀑布，法殖民时期被称为「CatScat」，据说这也是村落名称的由来。可穿着当地传统服饰探访村落，体验苗族的手工艺与日常生活。

In the afternoon we visit Cat Cat Village, one of the oldest minority settlements around Sa Pa, where Black Hmong people settled in the mid-nineteenth century. Traditional wooden stilt houses step down the hillside of the Rose Valley, weathered and orderly. A waterfall in the village was known in the French era as “CatScat” — said to be the origin of the village’s name. Dress in local costume if you wish, wander the lanes and watch Hmong handicrafts and daily life at close hand.

🎵 从山城到国境 Leaving the Mountains for the Border

清晨告别沙坝，乘车返回河内，再转往谅山省。谅山是越南北部的边境省份，与中国广西凭祥市接壤。今日全程约 10 小时车程，为全程最长行车日，建议备好路餐，在车上从容欣赏从高山、平原到边境的风景渐变。

We say goodbye to Sa Pa at dawn, drive back through Hanoi and press on to Lang Son, the border province adjoining Pingxiang in China's Guangxi. At about ten hours of driving, this is the longest day on the road of the whole journey — pack roadside snacks and watch the landscape shift from highland to plain to frontier.

🎵 同登庙会（若时节恰逢） Dong Dang Temple Fair, When in Season

若时节恰逢，可驻足同登。同登是谅山省的一座边境小镇，每年农历正月初九举办盛大的庙会，中越边民汇聚于此，祈福、交易、交流，是两国边境文化交融的生动缩影。

Should the calendar allow, we pause at Dong Dang, a border town in Lang Son that holds a grand temple fair on the ninth day of the first lunar month — border folk of both nations gathering to pray, trade and mingle, a vivid microcosm of two cultures meeting at the frontier.

🎵 友谊关 · 入境回国 Home Through Youyi Pass

从友谊关（凭祥口岸）出境回国。友谊关是中国九大名关之一，始建于汉代，历史上曾称「镇南关」，是中国南疆的重要门户。站在关楼之下，回望越南一侧的群山，一场跨越海域、平原与高山的越北之旅在此画上句号。

当晚入住龙州观堂。龙州是广西的边陲重镇，历史上一度是桂西南的政治经济中心，也是壮族聚居区。观堂是崇左地区最具文化气质的精品酒店群落，融入壮族干栏式建筑元素，是休整身心、沉淀旅途记忆的理想居所。

We re-enter China at Youyi Pass (Friendship Pass) near Pingxiang. One of China's nine great passes, first built in the Han dynasty and long known as Zhennanguan, it guards the southern frontier.

Standing beneath the gate tower and looking back at the mountains of Vietnam, a journey that crossed sea, plain and highland draws to its close.

Tonight we stay at the Guan Tang hotels in Longzhou. A border town that was once the political and economic centre of southwestern Guangxi and a heartland of the Zhuang people, Longzhou is home to the most cultured boutique hotel cluster in the Chongzuo region, built with Zhuang stilt-house elements — the ideal place to rest body and mind and let the journey settle into memory.

🎵 天琴壮寨 Tianqin Zhuang Village

天琴是壮族古老的弹拨乐器，外形似琵琶，音色清亮悠远，在龙州一带传承数百年。壮寨依山傍水而建，干栏式木楼错落分布。可聆听天琴弹唱，感受壮族文化的静水流深。

The tianqin is an ancient Zhuang plucked instrument, shaped like a pipa with a clear, far-carrying tone, played around Longzhou for centuries. The Zhuang village climbs the hillside above the water, its stilted wooden houses scattered in easy order. Sit and listen to tianqin songs — the quiet, deep current of Zhuang culture.

🎵 骑行蔗海 Cycling the Sugarcane Sea

崇左是中国甘蔗种植面积最大的地级市，被誉为「中国糖都」。无边无际的甘蔗田在喀斯特峰林间铺展，骑行穿行其间，空气中弥漫着蔗糖的甜味——这是桂西南最具代表性的农业景观，甘蔗与石灰岩山峰的组合，是这片土地的自然馈赠与人类劳作的共同作品。骑行结束后返回龙州，全天自由散步，享受边境小城的慢节奏。

Chongzuo is the prefecture-level city with the largest sugarcane acreage in China — “China’s sugar capital.” Endless cane fields spread out among the karst peaks; cycling through them, the air is sweet with sugar. It is the signature farm landscape of southwestern Guangxi: sugarcane and limestone summits, a joint work of natural gift and human labour. Afterwards we return to Longzhou and spend the rest of the day at our own pace, savouring the slow rhythm of a border town.

🎵 德天瀑布 · 亚洲第一跨国瀑布 Detian Waterfall, Shared by Two Nations

德天瀑布位于崇左市大新县硕龙镇，横跨中越两国边境，是亚洲第一、世界第四大跨国瀑布。瀑布宽约 200 米，落差 70 余米，分三级跌落。归春河河道即为国界线——左侧属于中国的德天瀑布水量磅礴，右侧属于越南的板约瀑布则相对秀丽，一道两国共享的瀑布，在地理与政治的分界线上喷薄不息。

丰水期水量极大，水声轰鸣，数里之外可闻。站在最低层观景台，水雾扑面而来，瞬间打湿衣襟——这是大自然最直接的拥抱。河谷中，越南边民划着竹排靠近中国一侧，兜售椰子糖与橡胶拖鞋，边境贸易的烟火气与瀑布的恢弘共存，构成独特的跨国景观。

Detian Waterfall, at Shuolong in Daxin County, Chongzuo, straddles the Sino-Vietnamese frontier — the largest transnational waterfall in Asia and the fourth largest in the world. It spreads some 200 metres wide and falls more than 70 metres in three great tiers. Here the Guichun River itself is the border: China's Detian on the left pours in full force while Vietnam's Ban Gioc on the right runs gentler and more graceful — one waterfall shared by two nations, surging ceaselessly along a line that is at once geographic and political.

In the wet season the roar carries for miles. From the lowest viewing platform the spray hits your face and soaks your clothes in an instant — nature's most direct embrace. In the river below, Vietnamese traders paddle bamboo rafts to the Chinese side to sell coconut sweets and rubber sandals: the bustle of frontier commerce beside the grandeur of falling water, a cross-border spectacle like no other.

明仕田园距离德天瀑布约 30 公里，是典型的喀斯特峰林地貌区。明仕河蜿蜒穿行于稻田与竹林之间，河水清可见底，两岸石灰岩山峰倒映水中——风景与阳朔相似，却远不如阳朔喧嚣。可乘竹筏顺流而下，或租自行车穿行田园。

壮族村寨散布河岸，村民的干栏式木楼底层架空养牲畜、上层住人，保留了壮族传统建筑样式。村中老人大多仍穿蓝靛染布的壮族传统服饰，妇女在家门口织壮锦——壮锦是中国四大名锦之一，以棉线为经、丝线为纬，织出深沉的几何纹样，是壮族人引以为傲的手艺。这些场景不是表演，而是他们日常生活的一部分。晚返南宁入住。

Thirty kilometres from Detian lies Mingshi, a classic karst peak-forest landscape. The Mingshi River winds between rice paddies and bamboo groves, clear to the bottom, limestone summits doubled in the water — scenery like Yangshuo's, but without Yangshuo's crowds. Drift downstream by bamboo raft or pedal a hired bicycle through the fields.

Zhuang villages scatter along the banks. Stilt houses keep livestock below and family rooms above, in the traditional manner; elders still wear indigo-dyed Zhuang dress, and women weave Zhuang brocade at their doorways. One of China's four great brocades, it is woven with cotton warps and silk wefts in deep geometric patterns — the Zhuang people's proudest craft. None of this is staged; it is simply their daily life. In the evening we return to Nanning for the night.

一 · 证件与通关 Passports & Border Crossings

- 护照要求：护照有效期须有 6 个月以上，且至少留有 3 页以上空白签证页。出境时务必随身携带护照原件。
- 签证办理：团队 ADS 签证需整团出境、整团入境，请至少提前 3—4 个工作日将护照首页清晰复印件提交旅行社。持港澳台护照须随身携带回乡证/台胞证（证件须在有效期内）；外籍客人须备好两次以上进出中国（大陆）的有效签证。
- 禁止拍摄：口岸安检、海关办公区域禁止拍照，请自觉遵守。
- 通关小费：正常排队办理手续即可，如遇索要小费的情况，可礼貌拒绝。
- 边境管理：沿途多处为中越边境区域，请勿靠近未开放边境点位，遵守边境管理相关规定。跨境旅游须依法依规进行，不得参与走私、毒品等违法犯罪活动。

Your passport must be valid for 6+ months with at least 3 blank visa pages — carry the original at all times. Group ADS visas require the whole group to exit and re-enter together; submit a clear copy of your passport photo page 3—4 working days ahead. Holders of Hong Kong, Macao or Taiwan travel documents must carry valid return permits; foreign nationals need a China visa permitting two or more entries. No photography in customs areas; queue normally and you may politely decline any solicited “fees.” Stay clear of unopened border points and keep all cross-border activity lawful.

二 · 货币与消费 Money & Spending

- 现金携带：越南大部分商圈、连锁酒店、超市支持微信和支付宝扫码支付，但路边小摊、集市、小额消费仍需现金。建议少量兑换越南盾，并至少携带约 2000 元人民币现金以备紧急使用。
- 汇率参考：1 元人民币约兑换 3300—3500 越南盾，偏离太多需警惕。
- 换钱建议：在正规银行或明码标价的兑换点换钱，不要找路边私人摊贩，谨防少给、假币。
- 先问价后消费：海鲜大排档、水果摊、特产店，务必先问清价格再消费，避免计价单位模糊或「阴阳菜单」。
- 口岸特产谨慎购买：沉香、药材、红木等特产店铺营销话术多，一旦加工完成无法退货，建议谨慎消费。

WeChat and Alipay work in most malls, hotels and supermarkets; street stalls and small purchases still run on cash — carry about CNY 2,000 for emergencies and exchange a modest amount into dong. Reference rate: CNY 1 $\approx$ VND 3,300—3,500; be wary of wide deviations. Change money only at banks or clearly priced kiosks. Always ask the price before ordering, and treat agarwood, herbs and rosewood at border shops with caution — once crafted, they cannot be returned.

三 · 气候与穿衣 Climate & Packing

- 气温概况——广西段（德天、明仕、南宁）：夏季 25—34°C，午后多阵雨；秋季 22—29°C，体感舒适。越南段（下龙湾、吉婆岛）：热带季风气候，5—10 月为雨季，常有台风和暴雨。沙坝段：海拔 1650 米，常年云雾缭绕，气温比河内低 5—10°C，早晚温差大。
- 穿衣建议——夏季：防晒衣、遮阳帽、墨镜、防晒霜必备；沙坝：备薄外套或长袖，早晚御寒；德天瀑布：水雾大，建议穿速干衣物或备雨衣，手机做好防水保护；山区、林间蚊虫密集，务必携带强力驱蚊液，穿着长裤防护效果更好。

Guangxi's leg (Detian, Mingshi, Nanning) runs 25—34°C in summer with afternoon showers and a comfortable 22—29°C in autumn. Vietnam's coast is tropical monsoon — May to October brings rain, typhoons and squalls. Sa Pa, at 1,650 m, stays 5—10°C cooler than Hanoi with large day-night swings. Pack sun protection; a light jacket for Sa Pa evenings; quick-dry clothing or a raincoat and a phone cover at Detian; and strong insect repellent with long trousers for the hills and forests.

四 · 交通与安全 Transport & Safety

- 路况提醒：南宁往返德天、友谊关、沙坝等多段为山区公路，弯道多、路程长。第八日沙坝 → 友谊关全程约 10 小时车程，为全程最长行车日，易晕车者请备好晕车药。
- 越南交通：越南摩托车密集，路况与国内不同，过马路请勿低头看手机或快速横穿。
- 包车建议：广西段及越南段景点分散，公共交通班次少、耗时长，包车是较为便捷的选择。
- 雨季安全：如遇台风、暴雨等不可抗力导致越南海事部门禁航，游轮出海等水上活动将受影响，旅行社将协助调整行程，由此产生的额外费用需客人自理。
- 购物纠纷：部分景区内设有商店、路店，游客购物为个人自主行为，产生的纠纷与旅行社无关，敬请知晓。

Many stretches are winding mountain roads — Nanning—Detian, Nanning—Youyi Pass and the Sa Pa approaches — and Day 8 (Sa Pa to Youyi Pass) is the longest driving day at about ten hours; carry motion-sickness medicine if you are prone. Vietnam's traffic is dense with motorbikes: never cross a street while looking at your phone or dashing. A private car is the practical choice between these scattered sights. If typhoons force sailing bans, water activities are adjusted by the agency and any extra cost is borne by the guest. Shopping in scenic-area shops is a personal decision; the agency bears no responsibility for such disputes.

五 · 文化与习俗 Culture & Etiquette

- 小费习惯：越南有付小费的习惯，可酌情给予酒店行李员、船家等服务人员，参考标准每次约 5000—10000 越南盾。
- 着装要求：参观胡志明陵等政治场所时，需注意着装，不可穿短裤、短裙、无袖上衣。
- 禁止携带：出入境时请勿携带违禁物品，遵守两国海关规定。
- 住宿登记：越南边境地区旅游时，需按规定办理居留和住宿登记手续。
- 尊重少数民族习俗：行程涉及猫猫村（黑苗族）、天琴壮寨（壮族）等少数民族聚居村落，请尊重当地风俗，未经允许不要对着当地人随意拍照，尤其是老人和孩子。

Tipping is customary in Vietnam — a modest VND 5,000—10,000 per service for porters and boatmen is appreciated. Dress respectfully (no shorts, skirts or sleeveless tops) at Ho Chi Minh's Mausoleum and other political sites. Carry nothing prohibited across either border, complete residence and accommodation registration in Vietnam's border areas, and respect minority communities — at Cat Cat Village and the Zhuang villages, always ask before photographing people, especially elders and children.

六 · 健康与特殊人群 Health & Special Guests

- 60—69 岁游客：参团须征得直系亲属书面同意，签署《游客健康申明》及《免责声明书》。
- 70—74 岁游客：建议提交出发前 3 个月内的身体检查报告。
- 75 岁以上游客：本行程较为紧凑，不适合 75 岁以上老年人参团。
- 温馨提示：以上费用标准及注意事项仅供参考，实际费用及政策请以报名时旅行社最终确认为准。出行前请务必确认护照有效期、签证办理进度及当地天气情况。十一日行程较长，建议随身携带常用药品、旅行枕及零食，让旅途更加舒适愉快。

Guests aged 60—69 must join with written consent from a next of kin, signing a health declaration and waiver; ages 70—74 should submit a medical check-up from within the previous 3 months; this demanding itinerary is not suitable for travellers over 75. Figures and policies above are for reference only — the final confirmation at booking prevails. Before departure, verify your passport validity, visa progress and the local weather. For eleven days on the road, pack personal medicine, a travel pillow and snacks for a more comfortable journey.
