南宁

三街两巷 & 畅游阁

建政夜市

🎵 南宁 Nanning

陈晓卿曾说"广西是中国饮食最复杂的地方"。南宁作为广西壮族自治区首府，鲜活的街头美食文化，兼具各色滋味。南宁友仔们的热情藏在街头巷尾，路边萦绕的老友味是时间沉淀下来的美味。这座古今交融的城市，用浓浓的市井烟火带给我们一份热气腾腾的生活记忆。

"Guangxi has the most complex cuisine in China," says culinary chronicler Chen Xiaoqing — and nowhere more so than Nanning, the Zhuang Autonomous Region's capital. The city's street-food culture hums with layered flavours; the old friend noodle soup, lao you fen, lingers in the air like a memory. Blending the ancient with the everyday, Nanning offers a warmly human welcome.

🎵 三街两巷 & 畅游阁 San Jie Liang Xiang & Chang You Ge

"三街"指兴宁路、民生路和解放路三条步行街，"两巷"指金狮巷和银狮巷。街区保留明清至民国的建筑风貌——青砖黛瓦，骑楼古巷。来到这里既能参观邓颖超纪念馆、南宁建制博物馆、南宁城隍庙，感受古南宁坊巷文化，也能在老茶馆听一曲邕剧、逛逛文创小店。相邻的畅游阁是纪念毛主席1958年冬泳邕江的重要地标，被誉为"广西滕王阁"，可俯瞰三街两巷和邕江美景。

San Jie Liang Xiang is Nanning's old quarter: three pedestrian lanes (Xingning, Minsheng, Jiefang) and two alleyways (Jinshi and Yinshi). Grey brick, tiled eaves and qilou arcades preserve the city's Ming-Qing Republican fabric. Detours call for the Deng Yingchao Memorial Hall, Nanning History Museum and the City God Temple. A short walk away, Chang You Ge — a pavilion commemorating Chairman Mao's 1958 winter swim in the Yong River, and known as Guangxi's "Tengwang Pavilion" — opens up a panoramic view of both the old quarter and the river.

 建政夜市 Jianzheng Night Market

暮色渐浓时，建政夜市灯火璀璨，人声鼎沸。这里聚集着众多老字号店铺：酸嘢的清爽、老友粉的热辣、卷筒粉的软糯、糖水的甜蜜，此起彼伏的吆喝声、香气四溢的摊档。看着师傅猛火快攻，豆豉与酸笋在热油中“滋啦”作响，瞬间点燃味蕾与热情。

As dusk gathers, Jianzheng Night Market blazes to life — a beloved institution of old-name stalls. Here you'll find the cool sour pickles known as suanye, the spicy lao you fen, soft rice-noodle rolls and slow-cooked syrupy tongshui. Vendors shout over sizzling woks, black beans and pickled bamboo crackling in hot oil, and the night tastes of fire, citrus and conversation.

黑水河游船

秘境小岛

伏那秘境徒步+皮划艇

🎵 黑水河游船 Hei Shui River Cruise

黑水河是崇左喀斯特山水景观的代表。两岸是高耸的喀斯特峰林与茂密原始植被，河水清澈碧绿，峰林倒影在水面如同水墨丹青。船行其中如穿行在绿色山水画中，体验感极佳。

The Hei Shui River is the archetype of Chongzuo's karst landscape. Towering peaks rise from intact subtropical forest on both banks, mirrored in jade-green water that shifts with each turn of the boat. Drifting along is like being threaded through a slowly unfolding Chinese landscape painting.

🎵 秘境小岛 Secret Isle

这座小众原生态秘境坐落于秀丽的黑水河上。小岛生态环境得天独厚，四面碧水环绕，绿意扑面而来。开阔柔软的草坪干净清新，成片竹林清幽静谧，清风穿林、河水潺潺，氛围感十足。这里也是保护鸟类池鹭的栖息地，时常能看见鹭鸟临水翩飞、栖息林间，原生态自然野趣随处可见。漫步河畔、静坐竹林纳凉、观鸟赏水，沉浸式拥抱山水自然，在悠然慢时光里，卸下旅途疲惫，独享一份独属于广西山水的温柔与安宁。

Hidden on the Hei Shui River, this unspoiled islet is wrapped in clear water and lush green. Open lawns stay fresh and clean; bamboo groves lie quiet, breeze threading the leaves as the river murmurs by. It is home to the pond heron, a protected bird often seen gliding over the water or resting among the trees. Wander the bank, sit in the bamboo shade, watch the birds — let slow hours ease the weariness of travel, and keep the gentleness that belongs to Guangxi alone.

🎵 伏那秘境徒步+皮划艇 Funa Trek & Kayak

喀斯特里的绿野仙踪——徒步与皮划艇结合，体验原始喀斯特水上森林风光。

A guided trek and gentle paddle through the green wonderland of the karst — a chance to feel the original, water-bound beauty of this limestone forest up close.

德天瀑布

蓝洞咖啡

丽世自由活动

🎵 德天瀑布 Detian Waterfall

德天瀑布位于中越边境，与越南板约瀑布共享"亚洲第一大跨国瀑布"的美誉，是世界第四大跨国瀑布。归春河在此冲破喀斯特断层，磅礴之水从70米高处的喀斯特崖壁轰然跌落，形成三级叠瀑，阳光下常现"水雾彩虹"奇观。

Straddling the China–Vietnam border, Detian Falls shares the title of "Asia's largest transnational waterfall" with Vietnam's Ban Gioc — and ranks among the world's top four. Here the Gui Chun River cuts through a karst fault; great walls of water plunge seventy metres in three cascades. On bright mornings the spray throws full rainbows into the air.

🎵 蓝洞咖啡 Blue-Cave Café

在中越边境线上界河最狭窄的地段，设计团队巧妙利用了洞穴地貌——保留嶙峋岩壁的原始风貌，将咖啡吧台嵌入天然溶洞。巨型钟乳石穹顶之下，岩壁水珠与咖啡香气交织，独一无二。

At the narrowest reach of the border river, a pavilion has been carved inside a natural limestone cave — the coffee bar tucked beneath a colossal stalactite dome. Stalactite water and espresso meet in this unrepeatable ritual: half geology, half hospitality.

🎵 丽世自由活动 Slow Time at LUX*

明仕河畔垂钓，山水倒影间静候鱼儿咬钩；图书馆藏书逾千册，可供静心阅读；漫步闲逛也是不错的选择。

Drop a line beside the Mingshi River and watch for ripples in the mountain mirror. Step into a library of more than a thousand books. Or simply wander — slow time, the resort's quiet gift.

侨港美食街

🎵 观光车游览明仕田园（鱼鳞坝玩水） Mingshi Pasture by Sightseeing Car

不必赶路，坐观光车是最好的打开方式：窗外山在转，水在流，成片的稻田从身旁滑过，农舍的炊烟慢慢飘上天，坐着车吹着风就把明仕的喀斯特田园风光看遍。

No need to hurry — a sightseeing car is the best way in. Mountains turn, the river glides, rice paddies slip past the window and farmhouse smoke drifts up. The entire Mingshi karst pastoral unfolds at your own pace.

🎵 自由逛银滩 Beihai Silver Beach

这里被誉为"天下第一滩"，以"滩长平、沙细白、水温净、浪柔软、无鲨鱼"五大特点著称。

Nicknamed "the world's No.1 beach", Silver Beach is famed for five qualities: long and level shores, fine white sand, clean and warm water, gentle waves — and, reassuringly, no sharks.

🎵 侨港美食街寻觅美食 Qiaogang Food Street

北海最具烟火气与异域风情的美食地标，主打越南风味与广式海鲜结合的特色餐饮，被誉为北海的"深夜食堂"。

环岛游：天主堂 + 百龄楼 + 石螺口

巨鲸下午茶

♪ 天主堂 Shengmu Cathedral

百年天主教堂，用岛上特有的珊瑚石垒砌而成。推开锈迹斑驳的铁门，仿佛闯入19世纪的南洋旧梦。

A century-old Catholic cathedral built entirely of the island's coral stone. Pushing past its weathered iron gates is to step, suddenly, into a 19th-century Nanyang dream.

♪ 百龄楼 Bailing Lou

天主教堂旁的百龄楼有近两百年的历史，被花园环绕，小院文艺又温馨。Tips：百龄柴窑烤制的面包松软可口。

Next to the cathedral, the near-two-century-old Bailing Lou stands in its own flower-hedged garden — atmospheric, gentle, unhurried. Don't miss its wood-fired bread, baked in a traditional kiln.

♪ 石螺口 Shi Luo Kou

因海湾凹陷形似螺口得名，浮潜就能看到热带鱼群，是潜水与日落观赏的绝佳去处。

The bay curves inward like a sea-snail's mouth — hence the name. Snorkel among tropical fish, then stay for one of the South China Sea's finest sunset performances.

🎵 海鲜市场 The Fish Market

跟着原住民逛海鲜市场，看到最原汁原味的岛上渔民生活。市场正对渔船归来的码头——渔民们皮肤黝黑发亮，那是常年与大海打交道的印记。他们熟练地将一筐筐还在活蹦乱跳的鱼虾卸下船，将火山与大海的馈赠化作舌尖上的鲜美。

Wander the local fish market at the harbour's edge, where the day's catch comes in straight from the boats. Weather-darkened fishermen unload crates of still-flapping fish and shrimp with quiet efficiency — the volcanic island's gift from sea to table, in real time.

🎵 南湾街风光 Nanwan Street

涠洲岛最繁华热闹的沿海街道，综艺《闪耀的恒星》曾在此取景。沿南湾街走一走、浪花翻涌，是出海岸公路大片的理想场景。

The liveliest seafront street on Weizhou, scene of the variety show Shining Stars. A walk along Nanwan is its own reward — crashing surf, perfect highway-by-the-sea shots.

🎵 斜阳岛远海海钓 Xieyang Island Deep-Sea Fishing

涠洲岛是海钓爱好者的理想目的地——海洋生态丰富，垂钓场景多样，从岸钓、船钓到夜钓，体验感拉满。尤其是5月至9月，水温稳定（24℃—29℃），鱼类活跃，上钩率高。

Weizhou is a fisherman's paradise: shore, boat and night angling, all on offer. From May to September the water holds steady at 24—29 °C, the fish are lively, and the hook-ups are reliable.

🎵 珊瑚石小院午餐 Coral-Stone Courtyard Lunch

街友阁珊瑚石庄园是涠洲岛一家零废弃民宿——珊瑚石经岁月打磨保留着海洋的痕迹，冬暖夏凉，被称为“会呼吸的房子”。主理人徐玲（小宸姐）自2019年起加入涠洲环保志愿队，坚持使用成本高的酵素洗洁精，对零废弃标准了然于胸。任贤齐等明星在这里录制过综艺《我们的滚烫人生》，胡歌、潘玮柏也曾到访学习“肉夹馍”堆肥法。小宸姐的手艺非常好，一边品尝地道海鲜，一边听她讲述与海岛的环保故事。

Xianyouge is Weizhou's pioneering zero-waste guesthouse — coral-stone walls polished by sea air, warm in winter, cool in summer, what they call a "house that breathes". Host Xu Ling ("Sister Xiaocheng") has run on Weizhou's environmental volunteer squad since 2019, insisting on costly enzyme detergents and full zero-waste standards. Celebrities Richie Ren, Hu Ge and Wilber Pan have all filmed or visited here. Over lunch, Sister Xiaocheng's cooking tells its own story of the island — and of her stewardship of it.

🎵 鳄鱼山公园 Crocodile Hill Park

涠洲岛火山地质景观的精华：红褐色的火山岩千姿百态，海浪拍打溅起雪白的浪花，蔚蓝的海水美得让人心醉。不仅能看到涠洲岛的火山口遗址，还将乘坐观光车到达全岛最高点，眺望涠洲灯塔和猪仔岭。

The defining volcanic landscape of Weizhou: rust-red stone sculpted into countless shapes, sea-spray flashing white, jade-blue water below. See the original volcanic crater, take the sightseeing car to the island's highest point, and look out to the Weizhou Lighthouse and Piglet Ridge.

🎵 蓝桥风光 Blue Bridge Views

蓝桥沙滩是涠洲岛的宝藏之地——人少景美，海水清澈见底，也是“果冻海”的至佳观赏地。阳光洒在海面上，呈现出晶莹剔透的蓝绿色；沙滩上设有拍照装置，背景就是标志性的2.3公里长、直通入大海的蓝桥。

A quiet, much-loved stretch of Weizhou — clear as glass and a front-row seat for that famous "jelly-sea" turquoise. Photo stations line the sand, all framed by the signature 2.3-kilometre Blue Bridge pointing seaward.

🎵 春夏静也晚餐 Chunxia Jingye · Dinner

南欧古堡风的海景餐厅，综艺《闪耀的恒星》曾在此录制。复古拱形窗加石砌结构，保留海岛的自然质感，像莫奈的画框——窗边可直面波光粼粼的海面，傍晚时分可赏漫天晚霞，随手一拍即是氛围感大片。

A southern-European-castle-style restaurant overlooking the sea — also a Shining Stars filming location. Arched stone windows frame the water like a Monet easel. Sunset here drifts from gold to violet across the bay, each frame a portrait.

🎵 南湾品酒 Tasting on Nanwan

对着海，碰着杯——微醺才是海岛夜生活的正确打开方式。

Sea, glass, friends. Slightly tipsy is the correct mood-setting for an island night.
